

# First Wavin AS+ installation

## Kaunas, Lithuania

**Mr. Marius Akelis**  
Head of construction  
site engineering

**“First experiences with  
Wavin AS+ installation were  
absolutely great!”**

**“Huge difference in installation speed  
and easiness. I could hardly believe that  
soil & waste pipes could be installed  
without lubricant. But Wavin AS+ shows  
it works perfectly!”**

Discover the new AS+ at [wavin.com](http://wavin.com)
